

PRESS ACCREDITATION REQUEST 2024

Local, national and international press coverage of the festival is important for us. We appreciate your contribution and we commit to help those who wish to cover the festival in a professional way.

Accredited members of the press receive a "Press" Pass that gives free access to the festival site and the Vivendi VIP Area to meet and speak with artists, organisers and partners of the festival.

To take photos of the bands from the stage pit, accredited press may obtain a temporary pass that can be used **only** during the first three songs of each band.

To receive accreditation, please fill in the form below and return it to festival.laroche@gmail.com. Your Press Pass, if approved, will be available at the Artists, Press, Invitation chalet on arrival.

In exchange we ask that you share the results of your work with the festival. Bluegrass in La Roche will not use your photos for commercial reasons without prior agreement.
